## Kivi Klips Şemsiye
*Kiwi Clips Umbrella*

Plaj şemsiyelerinin en lüks alternatifi dir. Saçaklı ve saçaksız olarak üretilen model bir çok hotel ve plaj projesinde sorunsuz olarak kullanılmış dır. İki şeslong başına rahatça koyabileceğiniz, isteğe bağlı olarak orta masasını kullanabileceğiniz ürün firmamızın lokomotif ürünlerindendir.

*It is the most luxurious alternative among beach umbrellas. This model, produced with and without fringes, has been seamlessly used in numerous hotel and beach projects. It is one of our company's flagship products that you can easily place between two sun loungers and optionally utilize the center table as well.*
