Mega Teleskopik Kollu Sistem Şemsiye
Mega Telescopic Crank System Umbrella

Zincir restaurantların, cafelerin ve lüks mekanların olmazsa olmazı teleskopik şemsiyeler. Misafirlerinizi rahatsız etmeden opere edeceğiniz, farklı iklim koşullarında kullanabileceğiniz mega teleskopik şemsiye, estetikten ödün vermeden geniş alanları çok başarılı bir şekilde gölgede bırakır. Orta borusundaki dişli sistemi ile çok kolay bir şekilde açılıp kapanan şemsiyenin teleskopik özelliğinden dolayı altındaki masa sandalyelere temas etmez.

The indispensable element for restaurants, cafes, and upscale venues are telescopic umbrellas. The mega telescopic umbrella, which allows you to operate without disturbing guests and can be used in different weather conditions, effectively shades large areas without compromising on aesthetics. With its gear system in the central pole, the umbrella can be easily opened and closed, and thanks to its telescopic feature, it doesn't come into contact with the tables and chairs underneath.
